

Considering Postgraduate Study?

Check out the **FREE Self-Directed Guide to Postgraduate Study** from ATU MyCareerPath

This online self-paced programme is designed for students who are considering postgraduate study. Make informed decisions and prepare a strong application.

The Two Stages of Your Programme

Research - Know Yourself. Know Your Options.

- Quick assessments on **Employability, Strengths, Personality and Skills**
- Information on **Postgraduate Options, Funding and Career Benefits**

Postgraduate Toolkit - Once you've identified your programme of choice, it's time to prepare your application.

- Craft a standout personal statement with advice and tips
- **CV Builder** - Fine-tune your CV to highlight your academic achievements and professional experiences
- **CV 360** - Upload CV and get instant feedback and tips
- **Interview 360** - Practice your interview skills if required to ensure you're ready
- **Linkedin Support** - Build a profile that gets you noticed

Your paragraph text

Body
