Welcome!

Welcome to ATU Donegal! We are delighted you have chosen to study in the Department of Nursing & Health Care. Induction allows you to get to know your classmates, find your way around, meet the lecturers and support staff and learn about the facilities and services you can avail of during your time here.

It is essential you attend all the induction activities to ensure you don't miss out on any important information that will make life and learning easier at ATU Donegal.

Introduction to the Department of Nursing & Health Care

The staff and students of Nursing and Health Care and our HSE Practice Partners are really looking forward to meeting and sharing with you the exciting times and challenges that your new Nursing course will bring.

We live in a constantly changing world, but that's nothing to worry about, change spurs new ideas and stretches possibilities. How do you prepare for that? You learn. Knowledge is an exceptionally important gift, but real understanding will only come from experience. The type of experience that enables you to adapt what you've learned to whatever opportunities come your way. That's why our Nursing courses include early contact with the real world of Nursing and Healthcare. That's what gives meaning and authenticity to your Nursing course. This experience will provide you with multiple opportunities to develop, integrate and consolidate the knowledge and skills learned throughout the programme.

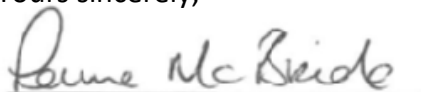

You can begin the registration process with Online Registration before you visit the campus.

We'll start with Garda Vetting on Wednesday 10th September and then meeting the Nursing staff and our practice partners on Thursday 11th September. We envisage this will be the beginning of you developing a sense of what to expect from your programme. There will be time for networking and most importantly you'll meet your fellow students, who like you have chosen to study Nursing at ATU Donegal. These aren't just students; among this group of strangers will be your future best friends. You haven't met them yet, but you will!

Once again congratulations on securing your place in the Department of Nursing & Health Care.

We wish you every success with your studies and I look forward to meeting at Induction.

Yours sincerely,

Dr. Louise McBride
Head of Department of Nursing and Health Care

Induction Wednesday 10th and Thursday 11th September 2025

All 1st year General, Intellectual Disability and Mental Health Nursing students are required to attend on campus for **Garda Vetting on Wednesday 10th September** and **Induction on Thursday 11th September 2025**.

It is very important that you attend your course induction. Please see information on page 6 for dates/times of your induction.

This is your opportunity to meet your lecturers and support staff. Our academic staff will provide all information you need about course requirements, placement information and your timetable to help you prepare for the first day of class. You will receive information about The Curve, Learning Support Centre and Computer Services. Information about Department Administration Services (Attendance letters, Department of Social Protection queries, medical certs) will be available to you on Blackboard.

Please check the ATU Donegal website for details of the induction time for your programme. You can begin the registration process with online registration before you visit the campus.

Online Pre-Induction

Information regarding your on-campus induction can be found here:

[Donegal Induction - Atlantic Technological University](#)

You are advised to take our online Pre-Induction now via the following link:

<https://www.atu.ie/student-life/induction/online-and-flexible-induction/atu-donegal-flexible-induction/atu-donegal-flexible-pre-induction>

You will find information on programme registration, fees and payments, student supports and learn more about the technologies used in online learning and the virtual learning environment (VLE). You will also learn about the supports and resources available to online learners at ATU and how to prepare for taking up or returning to study.

Information on how to register for your programme can be found here:

[Registration - Atlantic Technological University](#)

Once you have registered for your programme of study you will be able to access the ATU Student Hub, where you will find information that you need for student supports and services available at ATU: [ATU Student Hub](#)

All communication with students from the Department will be via your **ATU Student Email only**, please set up your student email account as soon as possible.

Garda Vetting

You will be required to complete Garda Vetting as part of your programme on **Wednesday 10th September**. It is very important that you engage with the Garda Vetting Liaison Officer regarding these additional requirements as your **registration may not be complete until you have submitted all relevant documentation.**

Information on Garda Vetting application process can be found by clicking on the links below, please ensure you read the information below and bring all relevant documents with you on 10th September:

Department Administration Support

Room 2469. Monday-Friday 10.30am-12.00pm and 2pm-3.30pm.

The Department of Nursing & Health Care office is located at room 2469, on the first floor. To access the office from the main reception desk; proceed up the main staircase and turn right, follow the corridor passing the stairs and take the next right, room 2469 is on the right-hand side.

Support services available to students include:

- Communicating to students regularly via ATU Student email regarding timetables, class groups, class activities, attendance requirements etc.
- Scheduling appointments for students to meet with the Head of Department if required.
- Provision of guidance with regards to timetables/student groups etc.
- Providing the College stamp/logo on required documents such as medical card applications, social welfare applications etc.

You must present your ATU student ID card if you require any of our services. Please note that there is a 5-day timeframe for documents to be issued and this may increase at peak times. You are advised to request any necessary documentation in a timely manner to allow us to support your request.

Administrative support can only be provided directly to registered students and cannot be provided to third parties (parents/guardians). Should you require support or guidance with any issue or query, you are welcome to contact the office in person at Room 2469 or by email to Nursing.Donegal@atu.ie and we will direct you to the relevant supports.

Re: Student Nurse intake to HSE - Immunisation Screening for Clinical Placement

Dear Student,

Clinical placement in HSE premises is an important and necessary part of your nurse training.

The Department of Health Guidelines on Hepatitis B requires all staff considered to be at risk of contracting Hepatitis B to be vaccinated. As a healthcare worker, you may be at risk of contracting Hepatitis B. It is important that you have adequate protection against Hepatitis B. These vaccines will be provided by Occupational Health.

To ensure you are protected against infectious diseases, we require documented evidence of the following vaccinations:

- BCG Vaccination
- MMR Vaccine x 2
- Mengivac C
- Tdap

(These records can be obtained from your local Community Care / Immunisations Office and / or your G.P.)

If you have received any other vaccinations, i.e. Hepatitis B / Hepatitis A, please send records.

You MUST submit your documented vaccination records to the HSE Occupational Health Department by induction day.

If you do not produce the above records, your Hepatitis B vaccination (which is strictly recommended for all healthcare employees) may be withheld. This may result in suspension of your clinical placement.

Yours faithfully,

Dr. Eileen Cahill Canning
Specialist Occupational Physician
