- Dept of Life & Physical Sciences Administration Ms Josephine Bradley
Email: Science.donegal@atu.ie Tel: 0749186306 Room: 2469
- Dept of Life & Physical Sciences Staff Officer (Placement): Ms Maria McConalogue Harkin
Email: Maria.McConalogue@atu.ie Room: 2458

Welcome!

Welcome to ATU Donegal! We are delighted you have chosen to study in the Department of Life & Physical Sciences. Induction allows you to get to know your classmates, find your way around, meet the lecturers and support staff and learn about the facilities and services you can avail of during your time here.

It is essential you attend all the induction activities to ensure you don't miss out on any important information that will make life and learning easier at ATU Donegal.

Introduction to the Department of Life & Physical Sciences

The Department of Life and Physical Sciences is a vibrant and dynamic Department within the Faculty of Science and Health at ATU Donegal. The Department currently has an excess of 600 undergraduate students studying at Level 6, Level 7 and Level 8 in addition to postgraduate students undertaking MSc Research and PhD Research at Level 9 and Level 10. We have established a number of progression partnerships with other universities to enable our students to progress to further studies. We also actively engage with professional bodies to enable our students to achieve professional accreditation in their respective disciplines.

Induction Thursday 11th September 2025

Induction for all courses in the Department of Life & Physical Sciences will take place on **Thursday 11th September 2025**. You can begin the registration process with Online Registration before you visit the campus.

It is very important that you attend your course induction. Please see the following pages for dates/times of your induction. This is your opportunity to meet your lecturers and support staff. Our academic staff will provide all information you need about course materials, placements, laboratory requirements, field trips and your timetable to help you prepare for the first day of class. You will also receive information about The Curve Learning Support Centre and Computer Services. Please read this document carefully for induction information session times.

You will receive information about your class group and timetable at Induction.

Once again congratulations on securing your place in the Department of Life and Physical Sciences. We wish you every success with your studies and I look forward to meeting at Induction. Welcome to Atlantic Technological University Donegal – the future is here!

Kim McFadden

Dr Kim McFadden
Head of Department of Life and Physical Sciences

Online Pre-Induction

Information regarding your on-campus induction can be found here:

[Donegal Induction - Atlantic Technological University](#)

You are advised to take our online Pre-Induction now via the following link:

<https://www.atu.ie/student-life/induction/online-and-flexible-induction/atu-donegal-flexible-induction/atu-donegal-flexible-pre-induction>

You will find information on programme registration, fees and payments, student supports and learn more about the technologies used in online learning and the virtual learning environment (VLE). You will also learn about the supports and resources available to online learners at ATU and how to prepare for taking up or returning to study.

Information on how to register for your programme can be found here:

[Registration - Atlantic Technological University](#)

Once you have registered for your programme of study you will be able to access the ATU Student Hub, where you will find information that you need for student supports and services available at ATU: [ATU Student Hub](#)

All communication with students from the Department will be via your **ATU Student Email only**, please set up your student email account as soon as possible.

Department Administration Support

Room 2469. Monday-Friday 10.30am-12.00pm and 2pm-3.30pm.

The Department of Life & Physical Sciences office is located at room 2469, on the first floor. To access the office from the main reception desk; proceed up the main staircase and turn right, follow the corridor passing the stairs and take the next right, room 2469 is on the right-hand side.

Support services available to students include:

- Communicating to students regularly via ATU Student email regarding timetables, class groups, class activities, attendance requirements etc.
- Scheduling appointments for students to meet with the Head of Department if required.
- Provision of guidance with regards to timetables/student groups etc.
- Providing the College stamp/logo on required documents such as medical card applications, social welfare applications etc.

You must present your ATU student ID card if you require any of our services. Please note that there is a 5-day timeframe for documents to be issued and this may increase at peak times. You are advised to request any necessary documentation in a timely manner to allow us to support your request.

Administrative support can only be provided directly to registered students and cannot be provided to third parties (parents/guardians). Should you require support or guidance with any issue or query, you are welcome to contact the office in person at Room 2469 or by email to Science.Donegal@atu.ie and we will direct you to the relevant supports.

Garda Vetting

Depending on the programme you are studying, **you may be required** to complete **Garda Vetting** and **Mandatory Training and/or Health Screening** as part of your programme. It is very important that you engage with the Garda Vetting Liaison Officer and your Department Administrator regarding these additional requirements as your **registration may not be complete until you have submitted all relevant documentation.**

Information on Garda Vetting and Health Screening and forms will be sent via email from the Admissions team. These must be completed before you start attending lectures.

Information on Garda Vetting application process can be found by clicking on the links below, please ensure you read the information below and bring all relevant documents with you to induction on 11th September:

- ATU Student Hub, Student Vetting Information: [ATU Student Hub](#)
- Garda Vetting Process information and Forms: [Garda Vetting Info Forms 25-26 \(Donegal\).pdf](#)

Mandatory training for some programmes will be scheduled during Induction week, prior to lectures starting. More information on this will be available on the day of Induction.

Department of Life & Physical Sciences

Garda Vetting Schedule Thursday 11th September 2025

PROGRAMME	DATE	TIME	LOCATION
Higher Certificate in Science in Pharmacy Technician	Thursday 11th September 2025	9.30am	Room 1453
Higher Certificate in Science in Dental Nursing	Thursday 11th September 2025	9.30am	Room 1453
BSc Hons in Physiotherapy	Thursday 11th September 2025	11.30am	Room 1453
Higher Certificate in Science in Health Science with Dietetics Studies	Thursday 11th September 2025	2.00pm	Room 1453
Higher Certificate in Science in Health Science with Occupational Therapy Studies	Thursday 11th September 2025	2.00pm	Room 1453
Higher Certificate in Science in Health Science with Physiotherapy Studies	Thursday 11th September 2025	2.00pm	Room 1453

Programme Induction Sessions

Thursday 11th September 2025

PROGRAMME	DATE	TIME	LOCATION
Higher Certificate in Science in Pharmacy Technician	Thursday 11th September 2025	11.30-13.00	1406
Higher Certificate in Science in Dental Nursing	Thursday 11th September 2025	11.30-13.00	2232
Higher Certificate in Science in Health Science with: - Occupational Therapy Studies - Dietetics Studies - Physiotherapy Studies	Thursday 11th September 2025	11.30-13.00	1401
Bachelor of Science common entry with named degree award options: - Bioanalytical Science - Food Science and Nutrition - Pharmaceutical and Medicinal Science AND - Bachelor of Science Honours in Pharmaceutical & Medicinal Science. - Bachelor of Science Honours in Bioscience. - Bachelor of Science Honours in Food Science and Nutrition.	Thursday 11th September 2025	13.00-14.30	1404
Bachelor of Science Agriculture/ Bachelor of Science (Hons) Agriculture	Thursday 11th September 2025	13.00-14.30	1401
Bachelor of Science in Veterinary Nursing	Thursday 11th September 2025	13.00-14.30	2232
BSc (Hons) in Physiotherapy	Thursday 11th September 2025	14.00-15.30	2269B

Higher Certificate in Science in Pharmacy Technician AU174

The Department of Life and Physical Sciences is a vibrant, exciting department which is equipped with up-to-date equipment and state-of-the-art laboratories. This programme offers you the opportunity to learn and develop new skills to seek employment in the pharmacy area.

This is a full-time programme with classes taking place Monday-Friday from 09:30 to 17:30. Attendance at all lectures, practicals, site visits and placements (if applicable) is recorded and monitored. Consistent attendance is extremely important and should a student's attendance fall below 75%, they will be invited to attend a meeting with the Head of Department.

As part of your programme of study you will take both theory and practical classes. Practical classes are an essential part of your programme as they put into practice much of the theory you have been taught in class. As a department, we place considerable emphasis on this aspect of our programmes of study as employers require graduates to have up-to-date practical skills. Students are required to wear protective clothing when working in the Science labs; lab coats are available from the Campus SU shop. In addition to scheduled classes students are also required to undertake independent learning.

The course involves placements of 6 weeks duration in each of the 4 semesters of the programme. These work placements are critical as they put into practice all that the student has learned in the classroom. Students will be expected to undertake a variety of placements to ensure that they get exposure to the working of both community and hospital pharmacies. As a result, students will be **expected to engage in placements outside the Donegal region**. While the University will make every effort to assist the learner in finding a placement, final responsibility for securing the placement resides with the learner. Students will be responsible for sourcing and paying for both accommodation and travel to these placements.

Placement Information

- 6 weeks per semester – range of community and hospital pharmacies – further information will be provided at Year 1 Induction
- Range of locations/regions
- Mandatory Training – arranged by Department of Life and Physical Sciences

Quick Guide Information for Pharmacy Technician Students

Online Registration

- Information on how to register for your programme can be found here: [Registration - Atlantic Technological University](#)
Once you have registered for your programme of study you will be able to access the ATU Student Hub, where you will find information that you need for student supports and services available at ATU: [ATU Student Hub](#)
