

Welcome from the President

I am delighted to welcome you to the International Quick Guide of Atlantic Technological University Ireland (ATU).

As one university serving this vibrant and diverse region, Atlantic Technological University offers an outstanding higher education experience enriched by strong community connections, dynamic learning environments and a focus on real-world impact.

With over 30,000 students and over 8,500 graduates each year, ATU provides exceptional opportunities for study, research and personal growth. Our 840+ programmes span a wide range of disciplines — from pre-degree to doctoral level — ensuring there's a path for every learner, whatever their goals.

We are also proud to support a growing international student community, now over 3,000 strong, as part of our globally connected and inclusive campus culture.

ATU's strength lies in collaboration — with research partners, with regional and national employers, and with our local communities. Our emphasis on applied learning and research-informed teaching empowers students to become critical thinkers, creative problem-solvers and lifelong learners.

From Donegal to Galway, from Mayo to Sligo, our campuses offer not only academic excellence but also stunning landscapes and welcoming towns and cities.

Whether you're stepping into higher education for the first time or returning to advance your career, you'll find the support, expertise and opportunities you need at ATU.

Join us at Atlantic Technological University — where education meets innovation, and where your future begins!

Your future is here.

Dr Orla Flynn
Uachtáran/President
Ollscoil Teicneolaiochta an Atlantaigh
Atlantic Technological University

About ATU

Atlantic Technological University (ATU) is a multi-campus technological university in the west and north-west of Ireland that delivers a rich combination of academic and research excellence, quality of life and opportunity.

Collaborative Strength

ATU has a student population of over 30,400 learners, spanning more than 840 academic programmes from pre-degree to doctoral level. ATU's strength lies in our collaborative ethos, realising our shared goals by elevating and championing success.

Academic Excellence

ATU offers an exceptional higher educational experience. Building on the foundations of applied learning, our university focuses on research-informed teaching. We empower learners to realise their full potential, developing responsible citizens, critical thinkers, innovators and problem solvers equipped for life-long learning.

Research, Engagement and Innovation

At ATU we have a proud tradition of industry engagement, through collaborative research and providing programmes at undergraduate and postgraduate levels that meet employers' skills requirements.

Global Opportunities

Our students develop as global citizens, recognising and building awareness of the opportunities and roles we play in developing sustainable global economies. From collaborative international research to overseas study and work placement opportunities, ATU students are part of a global community with a mindset that reaches far beyond our shores.

Why choose ATU?

ATU students enjoy an unforgettable student experience and graduate with an internationally recognised qualification. The region is known for its friendly people, and vibrant towns and cities.

Wild Atlantic Welcome

From your first day through to graduation, we will make you feel welcome and part of the ATU family. Our campuses cover much of the Wild Atlantic Way, which means you can look forward to stunning landscapes, breathtaking views and exciting outdoor adventures.

Global Qualification

The quality of the student experience at ATU is equally matched by the quality of the qualification. From successful careers to exciting further studies, our graduates have taken their qualifications across the globe.

Learning

We are big on practical learning, which means we reinforce theory with hands-on experience in labs and workshops. Real-life and collaborative projects, industry visits, guest speakers, work placements and Erasmus+ opportunities are just some of the other ways we ensure our students get the best education possible.

Academics

Our academic staff are passionate and engaging which means advice and help is always on hand. From all corners of the globe, numerous academics are regarded as leaders in their respective fields. They not only bring academic knowledge; they also bring real-world experience.

Community

One of the major advantages to life in ATU is the sense of community. We have a full team of dedicated staff to support our students throughout their studies. More than just a number, our students get to know all their lecturers and classmates on a first-name basis.

Why choose Ireland?

When you choose to study in Ireland, you gain far more than a globally recognised, world-class education. You unlock career opportunities that many envy worldwide. Beyond that, you immerse yourself in incredible, life-enriching experiences every single day.

Safe and Happy

In 2025, Ireland was ranked the 2nd most peaceful country in the world according to the Global Peace Index Report. It was also ranked the world's 15th happiest country in the 2025 World Happiness Report.

Stay Back Visa

The Third Level Graduate Programme provides non-EU/EEA graduates with an opportunity to remain in Ireland for a specific period of time for the purpose of seeking graduate level employment. NFQ Level 8 graduates have the option of a one-year stay back visa, whilst NFQ Level 9 graduates have the option of a two-year stay back visa.

Location and Language

Ireland's location makes it an ideal gateway to discover Europe, with many amazing cities just a short plane journey away. Ireland is one of the very few English-speaking countries in Europe, so settling in is super easy. Whether it's dealing with lecturers or simply asking for directions, there's no danger of anything getting lost in translation.

Thriving Economy

Ireland hosts over 1,000 multinational companies

4th most competitive economy in Europe

3rd in the world for attracting high-value investment projects

14 of the top 15 global MedTech companies are based in Ireland

16 of the top 20 global tech companies are based in Ireland

Home to 90+ pharmaceutical companies

The top 8 industrial automation industries and 4 of the top 10 global engineering design firms are in Ireland

6th largest services exporter in the world

430+ financial services operate in Ireland

Galway City

Galway is a cosmopolitan city that is world-renowned for its friendliness and community vibrancy. It is enriched with energy, amazing nightlife, a booming music scene and a fantastic schedule of annual festivals.

Galway City, Dublin Road

Galway City's building on the Dublin Road is one of Galway's iconic landmarks due to the three distinctive sail-shaped copper panels at the front of the main building. It offers undergraduate and postgraduate programmes in business, science, computing, engineering, culinary arts, hospitality, tourism and heritage.

Galway City, Wellpark Road

Galway City's building on the Wellpark Road is located even closer to Galway City centre. The location is a hive of creative activity and is home to several creative enterprises. It offers programmes in design, art, film and documentary, communications, media and storytelling, animation and game design, and design (product design, interior design, graphic design and illustration, textiles and fashion design).

An Energetic City

A prominent gourmet destination, Galway offers everything from Michelin-star dining and contemporary restaurants to quirky cafés and street food. Trendy cocktail bars, traditional Irish bars and late-night venues with international artists, ensure you will always find a lively night out. With several cinemas to choose from alongside weekly arts and cultural events, quiet night options are plentiful too. Just a short distance from the city centre is Salthill. Overlooking Galway Bay, this famous seaside resort is perfect for a fun afternoon, a day at the beach or a leisurely stroll along the promenade.

Accommodation

There are several purpose-built student villages located close to Galway City. Students may also choose from numerous digs and private rental options. For more information on all the accommodation options, please contact the Students' Union at www.atustudentpad.ie

Sports Facilities

A modern on-campus sports hall offers a wide variety of sports ranging from basketball to badminton and cricket to cheerleading. Our state-of-the-art High-Performance Unit (HPU) facilitates programmes for elite level athletes, whilst a fitness studio offers daily exercise classes. Outdoors, we have a GAA pitch with access to additional pitches locally. We also have arrangements made with several sports clubs. This means our students have access to facilities including FAI approved 3G Astroturf and grass pitches at Mervue United AFC, a fully floodlit GAA facility at Liam Mellows GAA Club and a 200m five lane synthetic running track at O'Sullivan Park.

For more information, please visit atu.ie/global

Connemara

Located in the beautiful village of Letterfrack, the Connemara campus is the National Centre for Excellence in Furniture Design and Technology. Renowned for its live traditional Irish music, Letterfrack is also surrounded by beautiful coastal destinations.

Connemara

Connemara is located along a stunning coastline just over an hour from Galway City. The campus is home to over 200 students, studying a range of degrees in furniture design and technology. The campus boasts state-of-the-art workshop facilities with the most advanced machinery and computer technology.

Great Location

There is an excellent choice of places to eat and drink in Letterfrack including cosy pubs, restaurants, coffee shops and a hotel. Clifden, which is often referred to as the capital of Connemara, is only 15 minutes away and is the largest town west of Galway City. This thriving town is home to shops, cafés, fine dining restaurants and lots of quaint Irish pubs. There are regular bus services to Letterfrack, with daily connections to Clifden and Galway City available.

Incredible Beauty

Letterfrack is overlooked by the majestic Diamond Hill and Connemara National Park. This park covers almost 3,000 hectares of scenic mountains which are part of the famous Twelve Bens range. The main entrance to Connemara National Park is in the village and is the starting point for an array of stunning walks. Beautiful coastal destinations such as Inishboffin and Cleggan are also within easy access of Letterfrack.

Accommodation

Purpose-built student accommodation, Áras Ghuaire, is located within one-minute walking distance of the Connemara campus. To contact Áras Ghuaire please go to www.letterfrackaccommodation.com. To find out about private rental and digs options, please contact the Students' Union at www.atustudentpad.ie

Sports Facilities

Students have access to local sports facilities including a grass football pitch, floodlit Astroturf pitch, fully equipped gym and a tennis court. Those looking to explore the great outdoors have a vast range of options to choose from, with pursuits available on land and sea. Scenic walks and cycles, horse riding, angling and sea swimming offer ideal opportunities for relaxation. The more adventure orientated individual may find the perfect option in mountain climbing, abseiling, surfing, windsurfing or scuba diving.

For more information, please visit atu.ie/global

Mayo

With a population of over 13,000, Castlebar is one of Ireland's fastest growing towns and home to ATU's Mayo campus. Whether you want to immerse yourself in an energetic town or explore beautiful countryside, Castlebar offers an unforgettable student experience.

Mayo

The Mayo campus offers programmes in nursing, social care, early childhood education and care, psychology, outdoor education, and history and geography at undergraduate and postgraduate level. In 2011, it became the first third-level education campus in Ireland to be awarded Green Campus status.

A Bustling Town

Castlebar is a shopper's heaven, with unique boutiques, high-street brands and everything in between. Food options range from quirky cafés to award winning restaurants, so there is something to suit every taste. Also, be sure to check out one of the weekly farmers markets. Established musicians' frequent pubs, late bars and cocktail bars for those looking to dance the night away. For a quieter night out, a luxury seven screen cinema has all the latest blockbusters. The Royal Theatre and Event Centre, a leading entertainment venue in the west of Ireland, regularly plays host to top music artists, comedians, plays and major events.

Beautiful Setting

The stunning grounds of Turlough Park and the nature trail at Raheens Wood are the perfect settings to get away from it all, whilst a range of water sports on Lough Lannagh offer a chance to try something new. Croaghmoyle and Nephin mountain ranges provide fantastic opportunities for hillwalking, mountain hiking and exploration. Regular bus services mean the award-winning seaside town of Westport is within easy reach. Alternatively, hop on a bike and explore The Great Western Greenway which extends from Castlebar onwards to Westport.

Accommodation

There are numerous accommodation options within easy access of the campus. These include private rentals, digs and purpose-built student accommodation. For more information on accommodation please contact the Students' Union at www.atustudentpad.ie

Sports Facilities

On-campus sports facilities include an indoor climbing wall, soccer pitch and running track. Students also have access to a range of local facilities. These include an eight-lane pool at the Lough Lannagh leisure complex, indoor courts at Castlebar Tennis Club and boxing facilities at Castlebar Boxing Club. The Mayo campus is recognised as one of the leading institutes in the country for outdoor adventure activities. Beaches, rivers and mountains provide the perfect environment for a range of outdoor activities.

For more information, please visit atu.ie/global

Mountbellew

Home of the first agricultural college in Ireland, Mountbellew is a growing market town located 45 kilometres from Galway City. This busy town is where students spend their first two years of study before attending Galway City in Year 3 and Year 4.

Mountbellew

The Mountbellew campus offers degrees in agri-business and agri-science where students spend the first two years of study and attend the Galway City campus on selected days per week. Agri-engineering students are based in the Galway City, Dublin Road campus and attend Mountbellew for scheduled classes.

A Busy Town

With a population of almost 1,000, Mountbellew has several shops, small businesses, restaurants and coffee shops. Local pubs regularly host live music and entertainment, with a warm welcome ever-present. Daily bus services to Galway City ensure the energetic city is never too far away.

Charming Countryside

Mountbellew Demense includes a wooded area with forest walks and picnic areas. The Demense loop trail is a 2.2km walk or cycle trail which navigates through trees and flora. The area is also home to a wide diversity of wildlife species, whilst Mountbellew Lake is a sanctuary for waterfowl including ducks, pheasants and swans. The area is also filled with interesting historical buildings such as old walled gardens, a flour mill, a boat house and a forge.

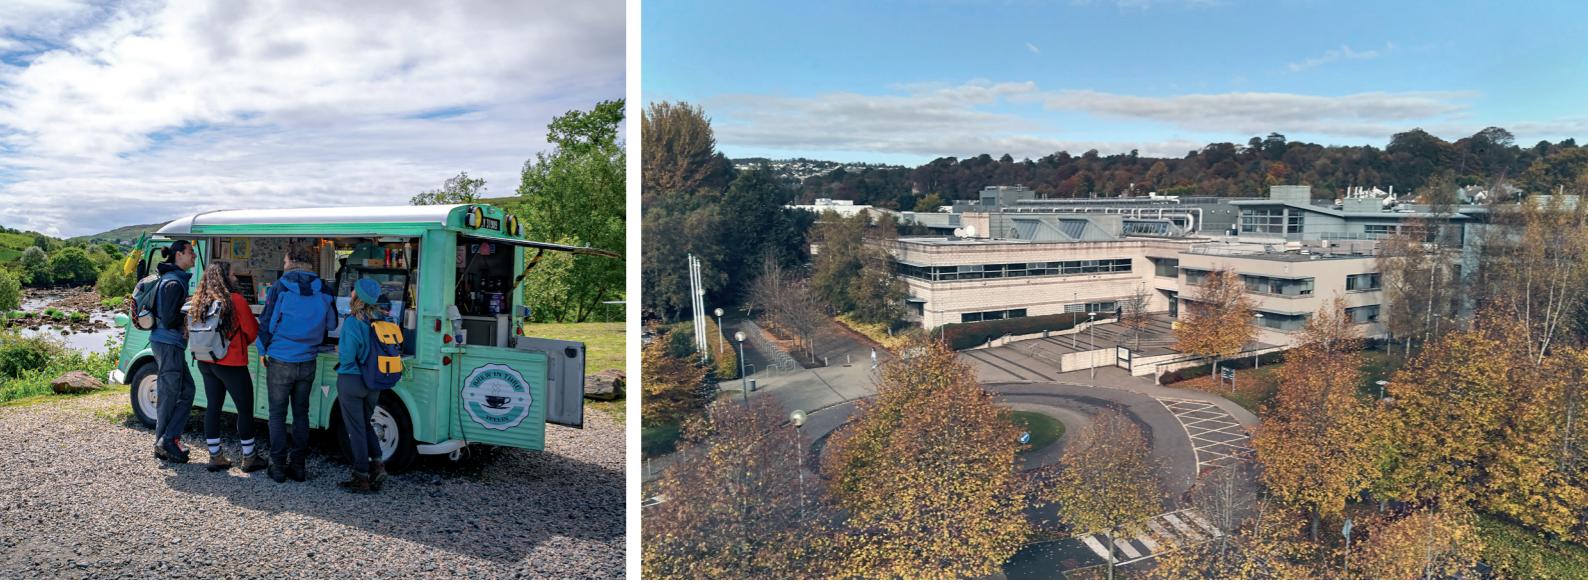

Accommodation

There is a range of private rental and digs accommodation available to Mountbellew students. The accommodation service for the Mountbellew campus is provided by the Students' Union office. For more information on accommodation options please contact the Students' Union at www.atustudentpad.ie

Sports Facilities

Students have access to a range of local sports facilities at Moylough Sports Ground. These include a GAA pitch, soccer pitch, handball alley and a tennis court. Gym facilities can be found at Mountbellew Fitness Centre, whilst Mountbellew Golf Club is home to an 18-hole golf course. Natural facilities allow for several outdoor options, ranging from fishing on the River Shiven to cycling the Demense loop trail.

For more information, please visit atu.ie/global

Donegal

Donegal is renowned for its stunning beaches, scenic walks, lively towns, welcoming atmosphere across the county, and not forgetting the most beautiful accent in Ireland. Donegal has two campuses, one in Letterkenny and another in Killybegs.

Donegal Campuses

The Donegal campuses are modern campuses offering cutting edge facilities paired with academic excellence. More than 5,000 students study between the Letterkenny and Killybegs campuses, which makes for a vibrant on-campus atmosphere. Smaller class sizes provide a real sense of community and ensure easy collaboration between students and lecturers. All of this makes for a brilliant student experience and it's easy to see why the Donegal campuses are attracting more students than ever before.

Donegal Letterkenny

Letterkenny is a lively town, offering excellent shopping, a vibrant nightlife and great opportunities for part-time work, sport, culture and fun. There are plenty of much-loved student haunts to choose from, with a selection of pubs, music venues, nightclubs and restaurants. There is also an 8-screen cinema and Aura Leisure Complex, which has a 25m pool, tartan surface athletics track and gym. Arts and cultural enthusiasts will enjoy the local theatre, An Grianán and a Regional Cultural Centre which incorporates an art gallery, an auditorium and full cinema facilities. There really is something for everyone.

The Donegal Letterkenny Campus has all the facilities a student needs. This includes educational and support facilities, a modern library, four dining areas, meeting rooms, lecture theatres and lots more.

Donegal Killybegs

The Killybegs campus is located in Ireland's premier fishing port which is rich in tradition and heritage. Its picturesque location boasts spectacular scenery and harbour views, surrounded by breathtaking beaches and close to Europe's highest accessible sea cliffs – Sliabh Liag. Students experience small class sizes and a personal approach to learning in a comfortable and welcoming setting. The campus has an impressive reputation for delivering exceptional academic programmes in culinary arts, hospitality and tourism.

Sports Facilities

ATU Donegal's sports teams compete in higher education and university competitions throughout the sporting calendar. In addition to competitive sports, the campus offers health and fitness advice, recreational courses, wheelchair sport and community activities. State-of-the-art gyms are located in both our Letterkenny and Killybegs campuses. The gyms are free-to-use for all students and they also offer daily exercise classes to students who like to train within a small group setting. Other facilities include an on-campus floodlit pitch and indoor training facility, multi-purpose sports centre and a modern fitness suite.

Accommodation

Donegal is one of the most affordable regions to live, work and travel around. The cost of living is considerably lower than the national average and the region offers a variety of affordable student accommodation. There is no on-campus accommodation, however, there are options for digs, houses to rent on a shared basis, and in Letterkenny there are also a number of apartment complexes built specifically for students. Both campuses are central and most accommodation is within 10 minutes walk of each of the campuses.

For more information, please visit atu.ie/global

Sligo

Sligo combines a vibrant urban centre with stunning natural beauty. The perfect setting for an unforgettable student experience. With an added community feel throughout, it's easy to see why Sligo is such a popular university destination.

Sligo

This 72-acre campus combines modern buildings, state-of-the-art facilities and landscaped grounds. A bright, contemporary feel runs through everything from the lecture halls to the library, and cafés to chill-out zones. This Green Flag campus is also home to Sligo's only Starbucks. Almost 10,000 students study full-time, part-time or online at the Sligo campus, with programmes available from higher certificate Level 6 up to PhD Level 10. A focus on practical learning, real life and collaborative projects, industry visits, guest speakers and work placements ensure students get the best education possible.

St Angelas

This is perhaps the most scenic campus in the country and just minutes drive from Sligo town centre. Over 1,600 students study full-time, part-time or online at the St Angela's campus. Programmes are delivered across a range of disciplines, from certificate Level 7 up to PhD Level 10. Students experience small class sizes and a personal approach to learning. There is a balance of theory and practical across all programmes to enhance skills ahead of real-world placements. Students enjoy a learning experience that will empower them on a personal and professional level to ensure their high employability on graduation.

A Vibrant Town

From sushi, vegan and tapas to Mexican, Italian and Thai, Sligo's thriving culinary scene ensures there is something to suit every taste and budget. There are nightlife options for every mood, so whether you are looking for a traditional Irish pub or a trendy cocktail bar, a live music venue or an energetic nightclub, you will find it here. Sligo is also home to a ten-screen cinema and a diverse range of arts, cultural and entertainment options. For the shopping enthusiast, independent shops are nestled in between popular high street brands, catering for everything from clothes to computers and vintage to vinyl.

Stunning Surroundings

World class beaches at Strandhill and Rosses Point or the tranquil beauty of Lough Gill provide the perfect place to get away from it all. Sligo's rural landscape includes the world-famous Benbulben Mountain, the Queen Maeve trail on Knocknarea, woodland walks, megalithic sites, beautiful wilderness and so much more. Sligo's stunning location also lends itself to outdoor options ranging from golf, water sports and horse riding to hill walking, mountain biking and cycling.

Accommodation

With a diverse range of options available, Sligo has the perfect accommodation to suit every individual. The cost of student accommodation is also much more affordable than many of Ireland's other university towns and cities, with this also reflected in the cost of living. There are several purpose-built student villages in Sligo, all within easy access of both campuses. Some student villages offer a laundry service, whilst others have smart TV's and free Netflix. Digs accommodation and private rentals are also popular choices with students. Whilst most students live close to campus, some choose the hustle and bustle of Sligo town centre or the stunning natural beauty of Strandhill or Rosses Point.

Sports Facilities

At the centre of our campus sports facilities is the Knocknarea Arena. This sporting hub is home to a multi-purpose sports hall, state-of-the-art fitness suite and specialised exercise studios. Outdoors, students have access to an international standard eight-lane tartan-surface running track with throwing and jumping facilities. Our 3G Astroturf pitch is fully floodlit, whilst our fully floodlit grass pitches include a championship standard GAA pitch and FAI certified soccer pitch. Off-campus, students can avail of various sporting facilities at heavily discounted rates. These include a 25m indoor heated swimming pool at Sligo Regional Sports Centre plus a variety of indoor and outdoor courts at Sligo Tennis Club.

For more information, please visit atu.ie/global

Student Life

Our students benefit from expert academic and student support, plus a vibrant campus life filled with clubs, sports, events and lifelong friendships.

Clubs and Societies

Joining a club or society is a great way to meet people with similar interests, try out something new or pursue a passion. We have a huge selection of clubs and societies to choose from, including international societies. Clubs and societies days are held across our campuses early in the university year and students can sign up to as many of them as they like.

Sport for All

Our belief is that sport is for everyone. We understand the positive impact it can have on an individual's physical and mental health. That is why we have a wide range of sports and activities to suit all abilities and interests. Whether you are an elite level athlete, a talented amateur or someone who is simply looking to keep fit and healthy; you will find your perfect sport or activity at ATU.

Students' Union

The Students' Union (ATUSU) is a democratic organisation run by students, for students. They attend important university meetings to ensure students are the focus of every decision made. The Students' Union organise campaigns on important issues such as mental health, sexual health and exam stress. They also organise lots of fun events to help students settle into university life.

Academic Supports

State-of-the-art libraries, learning support tutors, assistive technology, maths support centres and academic writing centres offer innovative and friendly support. Our Access and Widening Participation service provides a range of supports and services to help students realise their educational potential. ATU's Disability and Learning Support Service (DLSS) offers an individual support plan tailored to the specific needs of each student.

Student Supports

Our induction and welcome programmes make the transition to university both easy and fun, whilst our student success teams support students throughout their studies. Our free health service provides expert care and is made up of doctors, nurses, counsellors and well-being services. The chaplaincy team support students in their personal and spiritual growth, and our passionate careers teams will help each student find a profession and future they will love. Students also have access to a range of free technology supports.

For more information, please visit atu.ie/global

Applying to ATU

We offer a wide range of courses across business, science, health, engineering, computing, design, education and social science.

How to Apply

Applications for full-time undergraduate and postgraduate courses are made through course webpages. Simply go to the webpage of the course you wish to apply for and click the international applications button to begin.

Application Closing Dates

Undergraduate and Postgraduate courses starting in September 2026

Non-EU visa required applicants: 1st May 2026
Non-EU non-visa required applicants: 31st July 2026

Undergraduate and Postgraduate courses starting in January 2027

Non-EU visa required applicants: 2nd October 2026
Non-EU non-visa required applicants: 2nd December 2026

English Language and Entry Requirements

Courses are taught through English at ATU. Therefore, students need to demonstrate a high level of proficiency in the English language. In addition to other entry requirements, applicants whose first language is not English are required to provide official evidence of English language proficiency.

For a full list of accepted English courses and country specific qualifications, please visit atu.ie/global

Fees and Scholarships

Applied Sport and Exercise Nutrition	Master of Science	9	1.5
Biopharmaceutical Manufacturing	Master of Science	9	1.5
Conservation Behaviour	Master of Science	9	1
Digital Innovation for Sport	Master of Science	9	1.5
International Medical Technologies, Innovation and Development	Master of Science	9	1.5
Nutrition and Food Sensory Science	Master of Science	9	1.5
Sport and Clinical Biomechanics	Master of Science	9	1.5
Strength and Conditioning	Master of Science	9	1.5

Postgraduate Courses List

Course Title	Award	Level	Duration (Years)
GALWAY CITY WELLPARK ROAD			
Design, Education and Social Science			
Creative Practice	Master of Arts	9	1
MAYO			
Business			
Digital Media and Marketing	Master of Science	9	1
DONEGAL LETTERKENNY			
Business			
Accounting	Master of Arts	9	1
Business Management	Master of Science	9	1
Marketing	Master of Science	9	1
Strategy, Enterprise and Innovation	Master of Science	9	1
Engineering and Computing			
Blockchain Technologies and Applications	Master of Science	9	1
Computing in Big Data Analytics	Master of Science	9	1
Computing in DevOps	Master of Science	9	1
Computing in Cybersecurity	Master of Science	9	1
Computing in Cloud Technologies	Master of Science	9	1
Computing in Big Data Analytics and Artificial Intelligence	Master of Science	9	1
Cyberpsychology	Master of Science	9	1
Data Science	Master of Science	9	1
Engineering Management	Master of Science	9	1
Fire Safety Engineering	Master of Engineering	9	1.5
Healthcare Innovation and Technology	Master of Science	9	1
Supply Chain Analytics	Master of Science	9	1
Sustainable Supply Chain Operations	Master of Science	9	1
SLIGO			
Design Education and Social Science			
Creative Practice	Master of Arts	9	1.5
Social Work	Master of Arts	9	2
Engineering and Computing			
Geotechnical Engineering with Structural Engineering	Master of Engineering	9	1
Structural Engineering with Geotechnical Engineering	Master of Engineering	9	1
Science and Health			
Bioprocessing	Master of Science	9	1
Clinical Measurement Physiology	Master of Science	9	2
Food and Nutritional Product Development	Master of Science	9	1
ST ANGELAS			
Science and Health			
International Healthcare Management	Master of Health Science	9	2

Meet the ATU Global Team

The ATU Global Team is led by experienced specialists across ATU's campuses, supported by an administrative team.

They support internationalisation initiatives and work closely with international applicants, education agents and Erasmus+ partners, offering guidance on courses, entry requirements, pathways, campus visits and lots more. Please contact the team below, who will be happy to assist with any queries.

John Joe O'Farrell
