## Farm Walk and Talk Tours Leaving from Lecture Hall 1 @ 10.45am and 11.15am

There will be 2 guided tours around the two college farms. The college farms are an integral part of training at Mountbellew. Both farms are managed as commercial units and students have access to farm data and contribute to farm management decisions along with displays of state-of-the-art technology in agriculture. Industry experts will also be on hand to give students an insight into the employment opportunities available after graduation.

### Industry experts:

- Aurivo Co-Op
- EasiFix
- M & M Fleming
- McHale
- Bracken Enterprises
- Grasstec Group
- Macra na Feirme
- Quigleys Garage

## The Gym Information Stands

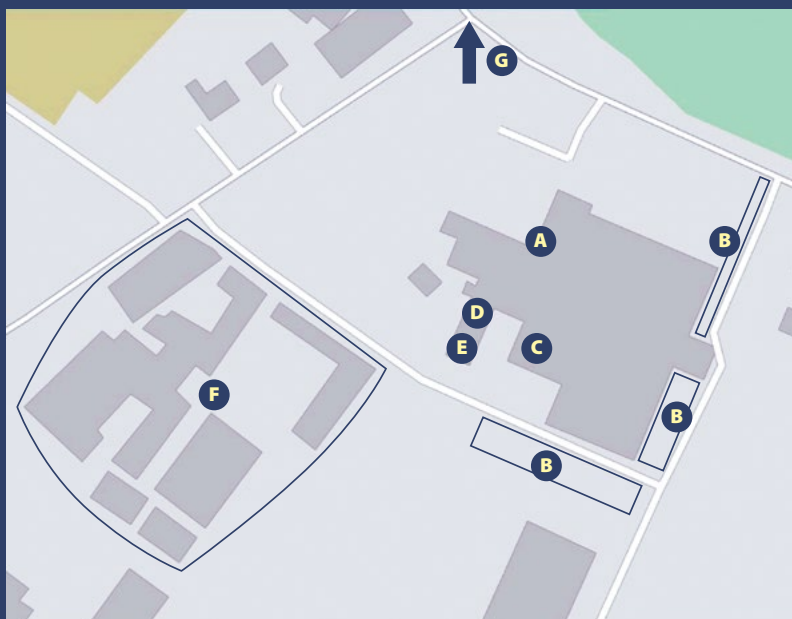

There will be representatives from ATU's Access and Participation Office, Disability and Learning Support Services and the Students' Union. Macra, an organisation that creates a community of rural youth and young farmers will be available to promote the social opportunities available through the organisation. There will be demonstrations with the driving simulators, showcasing CAD, and 3-D scanning and printing. An auto run presentation from SUSI will also be available.
